Herrn Leo Hamburger

Dear Sirs:

We have received Parts II and III of your Catalogue of the Sammlung Vogel, for which please accept our thanks. We did not, however, receive Part I, and I am wondering whether it has been issued. If so, will you kindly send us a copy as we are particularly anxious to keep our file of Auction Catalogues complete. In the library of our Society, they serve as a permanent record of Sales, and are often referred to. If you are unable to send Part I gratis, we should be very glad to have you send a bill with the copy.

Does your firm issue a Catalogue of numismatic books? If so, I should be glad to have one.

Very truly yours,

Librarian & Secretary

Dear Sir:

Your letter to Mr. Newell regarding his publications has been referred to me for reply. I enclose a list of our Numismatic Notes and Monographs and have checked thereon Mr. Newell's articles which deal with the coinage of Alexander. In addition, the following are available at the prices indicated:

Dear Sir:

One of the members of our Society has asked me if I thought it would be possible to have you send a cast of the decadrachm of Euainetos No. 121, in your recent fixed price catalogue of Greek coins, listed at 2,000 marks; and also if he should desire it after having seen the cast, whether you would be willing to send the coin on approval. I hope that you can send us the casts casts.

Dear Sir:

In consequence of your kind letter of 5th inst.
I am sending you to-day on approval by registered letter
all the staters of Corinth and its colonies, which I have
actually on stock, and I hope you can use some of them.
Invoice inclosed.

In the selection there is only one piece of more
then usual rarity, but I prefer to send you the piece itself
and not a cast, for a cast can never give the impression of
the original, and to return a little coin is a quite easy
thing.

If you take something, please don't send money
to me, but directly to my Swiss banker, Messrs. Lüscher
& Co. at Basel.

For the moment I have no other pieces of Corinth,
but if you wish, I shall make researches of these pieces
for you in whole Europe, and I am sure, that in this case
I shall find many "pegasoi" for you.

Awaiting your reply, I am, dear Sir,

Dear Sir:

If convenient, I should be glad to have you send me, on approval, a selection of the staters of Corinth (pegasoi) and any of its colonies, which you may have in stock. Of pieces of more than usual rarity or of considerable value, I should prefer that you send a cast with your price. I should also appreciate a word as to whether you have other issues of Corinth in either bronze or silver which might follow, if what you may say regarding them proves interesting.

We shall keep some six or seven of the coins and I hope to send you a remittance to cover in a few days. Dear Sir:

The delay in reporting on the consignment of coins of Corinth which you so kindly sent us on approval under date of January 13th, 1932 is due to the fact that I had hoped to place several of them with one of our members who has been abroad. I am unable to learn the date of his expected return, however, and feel that it is unfair to hold them longer. The coins retained are Nos. 5, 7, 8, 10, 15, 16 and 19 and 24, making a total of \$34.25. This amount is being sent through our bank directly to Messrs.
